

Jacob Hiatt Magnet School

Vision

Jacob Hiatt Magnet School partners with staff, students, families, and community to create a learning environment where everyone is nurtured, respected, and valued. We are committed to ensuring the success of every student.

Mission

- Jacob Hiatt Magnet School is committed to a bright and promising future for each of its students in grades Pre-K through six by ensuring that they are equipped with knowledge, creativity, confidence, and compassion for successfully negotiating an increasingly complex and diverse world.
- We value diversity in all its forms: among students and staff, in instructional approaches, in student abilities, and in learning styles.
- We provide all members of our school with a safe and nurturing environment. Our curriculum and instruction are designed to motivate and challenge students and to instill a desire and love for learning.
- We empower our students to self-advocate and take responsibility for their own learning, and to become innovative thinkers and problem solvers.
- We utilize differentiated instruction, best teaching practices informed by research, and the results of both formative and summative assessments to ensure that our students achieve their highest potential.
- We draw upon the time, talents, and cooperation of parents and members of our community to continually strive to improve our programs to best meet the needs of our students and ensure their success.
